Boys 7th/8th Grade Round Robin
Valley City North Gym and HAC
February 13th, 2021

Thank you for coming to the 7th and 8th Grade Round Robin at Valley City. With the expanded limits on attendance and available gym space, we decided to open up our North Gym so that we could accommodate fans. The North Gym has space for 100 fans, and we will be fine as long as ONLY the teams, coaches, and spectators of the team playing in the North Gym attend that game. We also ask that the teams vacate that gym when their game is concluded. We have designated space in the HAC bleachers for each team. When not playing, we expect teams and fans to remain in the designated HAC bleacher area.
